

## **Network Director Position**

Community Access to Coordinated Healthcare, Inc (CATCH) is a non-profit organization dedicated to improving health outcomes through health education, training, outreach and referral services including case management and access to care in six rural public health districts in eastern Nebraska.

CATCH is looking for a Network Director to direct and oversee the network's administrative, fiscal, and business operations. The Network Director reports to the network governing body. This is a contractual position budgeted at \$51,000 each year.

It is possible that this position could be divided between two individuals which would be negotiated at a later time.

**Responsibilities:** Oversee the network's administrative, fiscal, and business operations, facilitation, collaborative management, conflict resolution, and planning. He/she will report to the network governing body and is accountable to the CATCH organization officials for the proper conduct of the project or program.

He/she will work collaboratively with local health directors and CATCH network members to cultivate and maintain additional formal partnerships with the hospitals, private providers and other key stakeholders in the 30 county service area.

The Network Director will coordinate and conduct stakeholder meetings, including coordination of the meeting technology.

He/she will work with the Program Director to develop and utilize a stakeholder communication plan to keep key stakeholders engaged and to facilitate decision-making.

**Qualifications:** Previous experience in a leadership position at healthcare facility or public health organization. MPH and /or MSN preferred.

Strong organization, communication and leadership skills; ability to collaborate with clinicians and community agencies.

A home office is required with working knowledge of common software programs.

Travel may be required throughout the eastern part of Nebraska or to a National meeting and will be reimbursed.

**Start Date:** July 1, 2020
