Meeting Minutes

- Dr. Donohue introduced himself, talked about his background, and talked about his role in UNMC and emphasized that he is devoted to students' mental health
- All the students in-person and the few on Zoom voted for the IGPBS student rep.- Gunjan (in-person) and Sipra (zoom) gave a brief introduction and Katie called for a vote (show of hands)- Gunjan is the new IGPBS student rep and will be put in touch with Dr. Zimmerman soon
- Katie announced that there is one more position open on the grievance committee and talked about the role and which departments are eligible
- Katie announced the following upcoming events:
 - Ice cream social

- OPT/CPT session
 - IPE event
 - Women in academia event
- The health insurance liaison- Devin- introduced himself and talked about our insurance policy after which he held a Q&A session
 - Students want access to the PowerPoint presentation that he projected
- Students are confused about the renewal process for health insurance (the “opt-in” process on MyRecords) and they would like that to be clarified on the website or in an email during the spring semester when its time to renew the insurance
- Meeting adjourned
