**SEARCH**

In this book

[Advanced >](#) [Saved Searches >](#)

Reference Works homepage content will include:

1. Information about the title, What's New and, depending on title, other content such as article spotlights.
2. Access icon indicating if you have access to the full text of the title.
3. Title specific search features such as Advanced Product Search.
4. The left hand menu will include links to book tools and menu items where you will be able to:
  - Browse topics and articles
  - View author guidelines
  - Find information about the title and special features (if applicable).

Notes:

The screenshot shows the homepage of the Encyclopedia of Life Sciences (ELS). The layout includes a left-hand navigation menu, a central content area, and a search bar on the right. Annotations 1-4 point to specific features:

- 1.** Points to the 'About this Book' section, which includes a link to download a free Glossary and a quote about the resource's quality.
- 2.** Points to the 'Book Home' link in the 'BOOK MENU' section.
- 3.** Points to the search bar, which includes a dropdown menu for 'In this book' and links to 'Advanced', 'Saved Searches', and 'Advanced Product Search'.
- 4.** Points to the 'Recommend to Your Librarian' link in the 'BOOK TOOLS' section.

The left-hand menu contains sections for: BOOK TOOLS (Save to My Profile, Recommend to Your Librarian), BOOK MENU (Book Home), FIND ARTICLES (Articles by Title, Articles by Topic), GET ACCESS (How to get online access), FOR CONTRIBUTORS (Author Guidelines), ABOUT THIS BOOK (What's New, Editors & Contributors, Sample Content), SPECIAL FEATURES (New Reviews), and SEARCH OTHER PRODUCTS (Some of the specialized databases on Wiley Online Library are not covered by the main Advanced Search. To search them, go to the specific product site. [Advanced Search >](#)).

The central content area features the ELS logo, the title 'Encyclopedia of Life Sciences', and the copyright notice 'Copyright (c) 2009 John Wiley & Sons, Inc. All Rights Reserved.' Below this are sections for 'About this Book', 'What's New' (coverageELS is updated quarterly with new articles in all subject areas. In September 2009 168 new articles were added including 21 in cell biology and 20 in genetics and molecular biology. December 2009 will see the addition of 124 new articles including 12 in ecology and 20 in genetics and molecular biology. In total almost 400 new articles has been added to ELS in 2009.), and 'Article Spotlight' (Climate Change Impacts: Vegetation. Climate, more than any other factor, controls the broad-scale distributions of plant species and vegetation. Rapid climate change over the next century is likely to lead to major changes in the distribution of plants and thus in biomes and habitats. This will affect many other nonplant species as their... The right-hand search bar has a dropdown menu for 'In this book' and links to 'Advanced >', 'Saved Searches >', and 'Advanced Product Search >'.

## Wiley Online Library Preview Guide

### > Articles and chapters

Articles and chapters have a similar layout and tool functionality.

1. The left hand menu provides links to journal/book tools.
2. Access icon—indicates if you have access to the full text.
3. Publication specific search features such as Search by Citation.
4. Article or chapter tools.
5. Expand Show All to view additional information.
6. View abstract/summary, full text, references, supporting information and citation tracking information (where available).
7. At the bottom of the screen you will find links to related content.

Notes:

The screenshot displays the Wiley Online Library interface for an article. On the left is a vertical navigation menu with sections: JOURNAL TOOLS (1), JOURNAL MENU, FIND ISSUES, FIND ARTICLES, GET ACCESS, FOR CONTRIBUTORS, ABOUT THIS JOURNAL, and SPECIAL FEATURES. The main content area features the journal title 'PROTEIN SCIENCE' at the top, followed by the article title 'Export chaperone SecB uses one surface of interaction for diverse unfolded polypeptide ligands' (2). Below the title is the author list 'Angela A. Lilly, Jennine M. Crane, Linda L. Randall' and publication details 'Published Online: 29 JUL 2009 12:00AM EST' and 'DOI: 10.1002/pro.197'. A thumbnail image of the journal cover is shown (3). Below the article title is an 'Additional Information (Show All)' section (5) with links for 'How to Cite', 'Author Information', 'Publication History', and 'Funding Information'. At the bottom of the article content are navigation tabs: 'Abstract', 'Full Article (HTML)', 'References', 'Supporting Information', and 'Cited By' (6). Below these tabs are links to 'View Full Article with Supporting Information (HTML)' and 'Get Article only (PDF, 689K)'. The 'Keywords' section lists 'chaperone; export; SecB; site-directed spin labeling; EPR; protein-protein interaction; galactose-binding protein; OmpA'. The 'Abstract' section contains a paragraph of text. At the bottom of the article content are more links to 'View Full Article with Supporting Information (HTML)' and 'Get Article only (PDF, 689K)'. Below the article content is a 'More content like this' section (7) with a link 'like this article' and a list of authors: 'Angela A. Lilly | Jennine M. Crane | Linda L. Randall | All Authors'. On the right side of the page is a 'SEARCH' box with a dropdown menu 'In this Issue', a search button, and links for 'Advanced >' and 'Saved Searches >'. Below the search box is a 'SEARCH BY CITATION' section with input fields for 'Volume:', 'Issue:', and 'Page:'. At the bottom right is an 'ARTICLE TOOLS' section (4) with links for 'Get Article (PDF, 689K)', 'Save to My Profile', 'E-mail Link to this Article', 'Export Citation for this Article', and 'Request Permissions', along with 'Previous | Next' navigation.

From the Advanced Search page you will be able to:

1. Access Search tips.
2. Run complex search queries using multiple search techniques.
3. Select specific fields to restrict your search.
4. Add another search text box.

The Additional Criteria section will offer further options to refine your search results.

Account Managed Customers will be able to access the Customer Self-Administration area to edit account details, and to:

1. View/download usage reports.
2. Download holdings reports.
3. Upload or edit institutional co-branding images, text and links.
4. Manage Access control.
5. Manage Article Select permissions and view a list of articles purchased along with date accessed, or the date and time that access expires.

Notes:

The screenshot shows the 'Administrator Home' page. At the top right, it says 'LOGGED IN Librarian Administrator'. The navigation bar includes 'PUBLICATIONS | BROWSE BY SUBJECT | RESOURCES | ABOUT US' and the 'COLUMBIA UNIVERSITY LIBRARIES' logo. A '3.' is placed above the logo. The left sidebar contains a menu with five main sections: 'ADMINISTRATOR MENU' (with 'Administrator Home' selected), 'REPORTS' (Usage Reports 1.), 'HOLDINGS' (Current Holdings 2.), 'MANAGE BRANDING' (Institution Name & Logo 3.), 'MANAGE ACCESS CONTROL' (IP Addresses, Institutional Password, Remote Authentication 4., Trusted Proxy Server, Referring Url), and 'MANAGE ARTICLE SELECT' (Article Select Tokens 5., Article Select Permissions). Below this is 'LIBRARY RESOURCES' (User Guide, Register for Library Alerts, Library Toolkit, Training Resources, Contact Us). The main content area is titled 'Administrator Home' and includes a sub-header 'Administrator Information | Edit Administrator Information'. It displays fields for Name (Jane Doe), Phone ((202) 465- 9825), Email (jdoe@hopeuni.com), and Address (University of Hope, Hope Campus, DC 10543). Below that is 'Institutional Information' with Customer Name (TESTEAL100) and Customer ID (TESTEAL100).
