

Harm Reduction Models for SUD

ECHO Call: Thursday, October 15, 12 p.m. – 1:15 p.m. (CST)

Overview:

This ECHO (Extension for Community Healthcare Outcomes) is comprised of a group of experts assembled to help care teams in Nebraska address complex issues related to addiction and pain.

Target Audience:

- Physicians, Physician Assistants and Nurse Practitioners
- Pharmacists
- Licensed Mental Health Therapists
- Licensed Alcohol and Drug Counselors
- Program staff associated with entities that treat substance use disorder and/or pain

Presenter: Dr. Todd Stull, Addiction Psychiatrist

Dr. Stull is a physician and general psychiatrist with extensive experience in addiction medicine. He has been in practice for more than 20 years.

Dr. Stull is certified by the American Board of Psychiatry and the American Board of Addiction Medication.

Along with his decades of work in addiction medicine, Dr. Stull has also served as Senior Associate Athletic Director for Performance at the University of Nebraska-Lincoln.

Learning Objectives:

- Explain harm reduction models relevant to substance use disorders.
- Identify when to use harm reduction models as an option for treatment of SUDs.

Continuing Education:

The University of Nebraska Medical Center, Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Nebraska Medical Center, Center for Continuing Education designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The University of Nebraska Medical Center College of Nursing Continuing Nursing Education is accredited with distinction as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation. This activity is provided for 1.0 contact hour under ANCC criteria.
