

Pain & Substance Use Disorder ECHO

PDMP

ECHO Call: Thursday, May 20, 12 p.m. – 1:15 p.m. (CST)

Overview:

This ECHO (Extension for Community Healthcare Outcomes) is comprised of a group of experts assembled to help care teams in Nebraska address complex issues related to addiction and pain.

Target Audience:

- Physicians, Physician Assistants and Nurse Practitioners
- Pharmacists
- Licensed Mental Health Therapists
- Licensed Alcohol and Drug Counselors
- Program staff associated with entities that treat substance use disorder and/or pain

Presenter: Kevin Borchert, PharmD Prescription Drug Monitoring Program Director, NeHII

Dr. Borchert is a graduate from the University of Nebraska Medical Center. Prior to working for NeHII, Kevin worked at the Nebraska Methodist Health System as the Pharmacy Informatics Coordinator for over 19 years. Kevin served ten years on the Nebraska Board of Pharmacy and chaired or participated in several committees and task forces for the National Association of Boards of Pharmacy. He is also a member of the Nebraska Board of Health, Nebraska Medicaid DUR Board, and Nebraska eHealth Council. Kevin is a chair or member of several committees for national organizations supporting Prescription Drug Monitoring Programs across the country.

Educational Objectives:

- Describe the purpose and function of the prescription drug monitoring program
- Explain how the prescription drug monitoring program can aid in treatment pain and substance use disorder patients/clients
