Overview:
This ECHO (Extension for Community Healthcare Outcomes) is comprised of a group of experts assembled to help care teams in Nebraska address complex issues related to addiction and pain.

Target Audience:
Our target audience continues to be all health care providers (physicians, physician assistants, nurse practitioners, registered nurses, psychologists, licensed mental health therapists, social workers, and licensed alcohol and drug counselors) in the state who treat patients that have pain and/or substance use disorders, involving opioids primarily.

Educational Objectives:
- Summarize evidence based emerging technologies recovery and relapse prevention for SUDs and Pain Disorders
- Analyze technology options specific to Nebraska

Presenter: Emily Hensley, PMHNP
Emily has been working in healthcare for 22 years. She spent the first 13 years working in intensive care and emergency services. For the past 8+ years, she has been working as a psychiatric mental health nurse practitioner. Initial experience was with Richard Young Hospital. This included both inpatient and outpatient experience. In 2020, she transitioned into private practice and is now solely providing outpatient services.

Accredited Continuing Education:
In support of improving patient care, University of Nebraska Medical Center is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.
The University of Nebraska Medical Center designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
The University of Nebraska Medical Center designates this activity for 1.0 ANCC contact hour(s). Nurses should only claim credit for the actual time spent participating in the activity.
Continuing Education (CE) credits for psychologists are provided through the co-sponsorship of the American Psychological Association (APA) Office of Continuing Education in Psychology (OCEP). The APA OCEP Office maintains responsibility for the content of the programs. This activity has been approved for 1.0 continuing education credit.

To participate and register: Register for this ECHO call by Feb. 4, 2022
