

Pain & Substance Use Disorder ECHO

How to Leverage a Teamwork Approach for Treating SUDs and Pain Disorders

ECHO Call: Tuesday September 13, 2022, **12-1 p.m. (CST)**/11– 12 p.m. (MST)

Overview:

This ECHO (Extension for Community Healthcare Outcomes) is comprised of a group of experts assembled to help care teams in Nebraska address complex issues related to addiction and pain.

Target Audience:

Our target audience continues to be all health care providers (physicians, physician assistants, nurse practitioners, registered nurses, psychologists, licensed mental health therapists, social workers, and licensed alcohol and drug counselors) in the state who treat patients that have pain and/or substance use disorders, involving opioids primarily.

Educational Objectives:

- Discuss compassionate patient/client centered care for substance use disorders and pain by employing a teamwork approach to treatment and assessment
- Develop self-efficacy in assessing and treating clients/patients with Pain and substance use disorder from a front line, nursing-teamwork perspective

Presenter: Cindy Schreiber, MSW

Schreiber is a licensed clinical social worker who has worked in adult crisis units with dual diagnosis patients as both an individual and group therapist. She's a licensed alcohol and drug counselor. She uses motivational interviewing and therapeutic interventions in her treatments.

Presenter: Alicia Krause, BSN, RN

Krause is an addiction and IOP nurse with UNMC Dept of Psychiatry. She joined the department in May 2020 after working at Nebraska Medicine in Bellevue for seven years in the Emergency Department and Medical Surgical Floor.

Accredited Continuing Education:

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, University of Nebraska Medical Center is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

The University of Nebraska Medical Center designates this live activity for a maximum of **1 AMA PRA Category 1 Credit(s)**™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The University of Nebraska Medical Center designates this activity for **1.0 ANCC** contact hour(s). Nurses should only claim credit for the actual time spent participating in the activity.

Continuing Education (CE) credits for psychologists are provided through the co-sponsorship of the American Psychological Association (APA) Office of Continuing Education in Psychology (CEP). The APA CEP Office maintains responsibility for the content of the programs. This activity has been approved for **1.0** credit hour of continuing education credit.

As a Jointly Accredited Organization, University of Nebraska Medical Center is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. University of Nebraska Medical Center maintains responsibility for this course. Social workers completing this interactive live activity receive **1.0** continuing education credit. Social work level of content: Intermediate

This activity meets the criteria of an approved continuing education program for Licensed Drug and Alcohol Counselors (LADC).

To participate and register: Register for this ECHO call by Sept. 9, 2022
