GRAND ROUNDS

Noon Lecture

MSC 2014

Embracing Diversity for Improved Health Outcomes

Hassan A. Tetteh, MD

Assistant Professor of Surgery
Uniformed Services University of the Health
Sciences and Howard University College of
Medicine

Objectives:

1. Acquire improved understanding of cultural competence as it relates to caring for patients from various ethnic, social, and demographic groups
2. Develop new and enhanced strategies for patient centered care and improved health outcomes in the organization
3. Create actionable steps to become the preferred choice for diverse patient populations

Co-sponsored by the COM Office of the Dean, COM Department of Surgery, Office of the Vice Chancellor for Academic Affairs, and McGoogan Library

Lunch will be provided to the first 80 participants.
